January 2010

Happy New Year and welcome to our first newsletter. We don't plan to bombard you with endless drivel - just once a quarter to update you on up-and-coming events. See below for details of our Italian wine & dinner events, a great night of opera as well as our regular monthly dinners planned for the next few months.

If you would prefer not to receive our newsletter in future, you can click the "unsubscribe" option on this email.

We are surviving the summer with the help of a few G&T's and we are pleased the garden is also in reasonable shape at this time of year. In the next few weeks we will start building a new kitchen garden - much closer to the kitchen, but we'll let the current crop of tomatoes, zucchini and artichokes run their course. We're also hoping to start a mini renovation of the old cool room adjacent to the courtyard to make a 6th guest room - perfect for those wishing to avoid the stairs after a hard day of relaxing with a bottle of local wine.

So onward to an exciting 2010 with some great events planned.
